**Robert Keefe**

Robert Keefe brings a unique depth of building code expertise to the commission and currently authors and evaluates CBSC instructional materials and special projects. He joined the commission with over 37 years of experience in state service, which included 25 years with the Department of Housing and Community Development, Division of Codes and Standards (HCD).

As Program Operations Manager at HCD, Robert lead numerous projects including the development of regulatory language for the California Code of Regulations, Title 24 and 25, and the development of enforcement staff procedures and staff training programs. He represented HCD on code development committees of the National Fire Protection Association and National Manufactured Housing Advisory Council. He also chaired numerous HCD project committees with local government and industry stakeholders concerning the development of regulations for fire sprinklers, third-party inspection, and occupational licensing and continuing education programs.

Robert has been an adjunct instructor of building codes at Cosumnes River College, Sacramento where he taught Title 24 accessibility and the building and electrical codes. He has also been an instructor for the University of California, Davis extension program where he taught Title 24 organization, application and use. Robert was a volunteer instructor for the California Building Officials (CALBO). In 2006 he was honored with CALBO's Educator of the Year award.
